

Made For Your Recipes.

Ingredient Chicken: Battered Pieces, Fully Cooked Strips, Fully Cooked Chicken Crumbles, Ready to Pull, Pulled and Diced and *Cut & Ready*® Chicken Pieces made with All Natural* ingredients.

Tyson FoodService
Working at the Heart of Your Menu™

Ingredient Chicken Product Categories

Ingredient chicken from Tyson Food Service is designed to be incorporated as part of a recipe rather than a center of the plate protein. Our full line of fully cooked and uncooked ingredient chicken offer operators labor savings, better yield and helps stretch their protein dollars amid rising costs. We have two new codes, as well as two reformulated existing codes that meet the growing consumer demand for products made with All Natural* ingredients.

NEW

FULLY COOKED CHICKEN STRIPS

Tyson® Fully Cooked Whole Leg Strips provide customers with delicious products in either roasted or light pepper flavor profiles that save time and labor.

FEATURES & BENEFITS

- ▶ More Flavor: Offers more flavor with extended hold times
- ▶ Made with All Natural* Ingredients
- ▶ Versatile: Use in ethnic inspired applications such as stir-fry, burritos, etc.

NEW

BATTERED CHICKEN PIECES

Tyson® Fully Cooked & Uncooked Battered Chicken Pieces are made with All Natural* ingredients and provide operators with the most popular form for versatile menu use.

FEATURES & BENEFITS

- ▶ Portion Control: Allows operators to better plan menu costs
- ▶ Affordable: All pieces are usable – reduces waste and increases margins
- ▶ Made with All Natural* Ingredients
- ▶ Versatile: Use in Asian inspired dishes or serve as a snackable appetizer

FULLY COOKED CHICKEN CRUMBLES

Tyson® Fully Cooked Ground Chicken Crumbles are perfect as a direct substitute for ground beef in the most popular applications like taco meat, chili, and meat sauce.

FEATURES & BENEFITS

- ▶ Performs as well or better than ground beef in appearance, texture, bite and flavor
- ▶ All Natural*: no preservatives or artificial ingredients, no added binders or fillers—just chicken
- ▶ Roughly half the cost of ground beef considering labor and yield savings

READY TO PULL, PULLED AND DICED

Tyson® Ready To Pull, Pulled and Diced fully cooked chicken products made with All Natural* ingredients are designed to be a part of your creation—think chicken salad, Asian stir-fry, enchiladas, quesadillas, wraps, pasta dishes and salads.

FEATURES & BENEFITS

- ▶ Labor savings through prep reductions
- ▶ Consistent quality
- ▶ Tiered options from premium to value
- ▶ Simple, tender, juicy chicken
- ▶ Holds well for both cold and hot applications
- ▶ Highly versatile for use across any menu
- ▶ All Natural*
- ▶ Low sodium options

CUT & READY® CHICKEN PIECES

If you're looking for fully customizable chicken that's ready for any recipe, try these Tyson® Cut & Ready® ingredient chicken products.

FEATURES & BENEFITS

- ▶ Speed scratch – Fully customizable and pre-cut for efficiency and consistency
- ▶ Versatile use across the menu
- ▶ Premium breast meat and value dark meat options for all price points
- ▶ Choose Tyson® Cut & Ready® All Natural* products for recipe-ready chicken that needs little knife work
- ▶ Choose Starch Marinated Breast Pieces for a light coating that sears perfectly and stays juicy through extended holding
